About Ventiques:

Ventiques is a proud seller of a wide array of highly efficient and functional [flush mount floor vents](#) and drop-in vents. They offer metal and wood vents. Ventiques provides stylish and intricately designed vents ranging from modern to traditional decor.

All our vents are flush mount making them handicap accessible. For those in wheelchairs, scooters, or even using walkers, even the smallest bump of a raised floor vent can be a huge obstacle-and a safety risk.

Ventique flush mount vents remove these transitions from the equation. Composed of powder-coated aluminum, these flush mount vents do not bend, crack, rust, peel, or chip. Ventique Vents add to the look, feel and value of a home instantaneously. They are strong enough to be used in industrial settings and stylish enough to be used in luxury multi-million-dollar homes.

Ventiques is here to offer a solution for flooring installers and homeowners alike – vents that are as unique as your floors. Don has strong values about the quality of a product and why it is worth doing something right if you are going to do it at all. We pride ourselves in being able to give you the highest quality product on the market-the very same one we use in our own homes! Those same values guide the company and everything we do.
