

# iSmile Dental Center Partners with Protector® – Spearheading Dental Care Innovation

*Protector® Antiviral & Antibacterial  
Toothbrushes for Perfect Oral Hygiene*

RAS AL KHAIMA, UNITED ARAB EMIRATES, December 29, 2023 /EINPresswire.com/ -- [iSmile Dental Center](#) is excited to announce its strategic partnership with Protector®, a British leader in Antiviral & Antimicrobial breakthroughs. This collaboration brings together iSmile's three-decade legacy of dental excellence and Protector®'s cutting-edge advancements, revolutionizing oral care standards.

Amir Younus, Executive Director of [Health & Hygiene](#) Limited, stated, "This partnership signifies a remarkable synergy of expertise. Protector® is dedicated to creating products that redefine hygiene, and our collaboration with iSmile Dental Center enhances our shared vision."

Dr. Atef, CEO of iSmile Dental Center, emphasized, "At iSmile Dental Center, our clients' well-being drives us, iSmile Dental Center has always prioritized innovation and holistic care. Partnering with Protector® underscores our commitment to elevating our clients' dental health experience. "

iSmile Dental Center is a leading provider of dental services, with a focus on staying up to date with the latest technologies. Protector® is a toothbrush with unique attributes that no other toothbrush brand offers. Protector® Toothbrush is a cleaner and safer alternative to the standard toothbrush. Protector® is a complete antiviral and [antibacterial toothbrush](#) from its bristles head to the handle that provides 99.99% protection against viruses, bacteria and microbes. Protector® toothbrush is powered by d2p anti-microbial technology by the British

iSmile Dental Center Partners with Protector®

company Symphony Environmental. It is effective against 50 harmful microbes including coronavirus and is tested in accordance with ISO 22196 and ASTM E2149.

iSmile Protector toothbrush is a revolutionary toothbrush that is designed to protect your teeth and gums from harmful bacteria and viruses. It is made from a special material that is safe for your teeth and gums.

The toothbrush is designed to be used for 2-3 weeks. It is made from a special material that is safe for your teeth and gums. It is designed to be used for 2-3 weeks.
