

# MyCarrierPackets Transforms into MyCarrierPortal: A Decade-Long Evolution in Carrier Identity Innovation

*MyCarrierPackets, a trailblazer in the freight broker industry for 12 years, is proud to announce its rebranding as MyCarrierPortal.*

SIMI VALLEY, CALIFORNIA, USA, January 2, 2024 /EINPresswire.com/ -- In a significant evolution that reflects its commitment to innovation and adapting to the dynamic transportation landscape, MyCarrierPackets, a trailblazer in the freight broker industry for 12 years, is proud to announce its rebranding as MyCarrierPortal.

Our transformation into MyCarrierPortal signifies dedication to providing a holistic solution for freight brokers. We're not just about onboarding; yet a portal to secure & comprehensive protection."

MyCarrierPortal, formerly MyCarrierPackets, has been at the forefront of transforming carrier identity for freight brokers, setting the standard for efficiency and security. Recognizing the need for a name that better encompasses its comprehensive range of services beyond onboarding, MyCarrierPortal emerges as the new face of cutting-edge solutions in the transportation industry.

## Key Features and Innovations:

### 1. Effortless Onboarding

MyCarrierPortal continues to redefine onboarding with a fast and easy process that ensures packets are completed within minutes.

### 2. Certificates of Insurance Excellence

With hundreds of thousands of Certificates of Insurance on file, MyCarrierPortal handles new COI requests swiftly, completing them within minutes, requiring no additional actions from clients.

### 3. Comprehensive Carrier Verification

MyCarrierPortal enhances security by verifying carriers, their users, employees, insurance, VINs, and more through FMCSA and/or IRS recorded information, safeguarding against fraudulent activity and cargo loss.

#### 4. Risk Assessment Expertise

MyCarrierPortal introduces a robust risk assessment system, developed by industry leaders, providing an efficient filter for carrier information during onboarding. The fully customizable risk assessment empowers clients to make informed decisions.

#### 5. Seamless Integration with TMS Systems

MyCarrierPortal ensures easy integration with a variety of Transportation Management Systems (TMS), enhancing operational efficiency for partnered businesses.

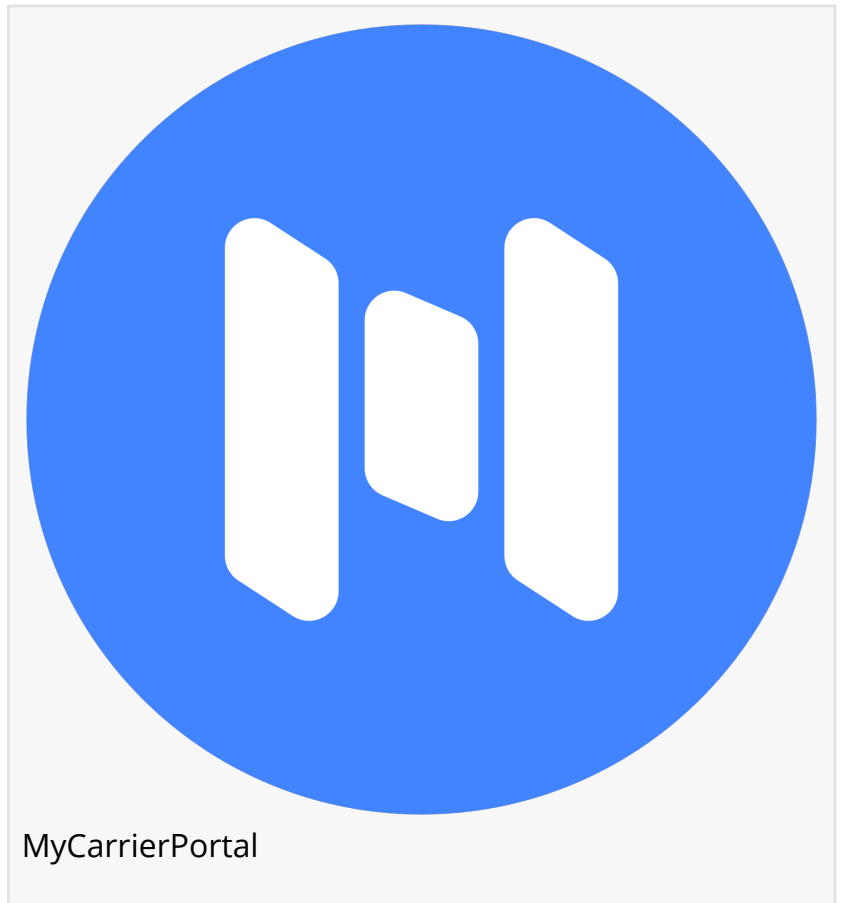

#### 6. All-Inclusive Subscription

MyCarrierPortal simplifies pricing structures by offering an all-inclusive subscription. Every service provided by MCP is included, with no additional or hidden fees, providing clients with clarity and peace of mind.

Meg Boaz, Director of Business Development, at MyCarrierPortal, expressed excitement about the rebranding, stating, "Our transformation into MyCarrierPortal signifies our dedication to providing a holistic solution for freight brokers. We are not just about onboarding; we are a portal to seamless, secure, and comprehensive carrier management."

MyCarrierPortal, formerly MyCarrierPackets, has been a leading force in the transportation industry for over 12 years. Dedicated to continuous innovation, the company provides comprehensive solutions in carrier identity, fraud protection, insurance monitoring, and carrier onboarding.
