“

We are so proud to host this event. Its important for Puerto Rico and for us. All these Ninja Warriors today, especially the younger kids, embody our vision that Nothing is Beyond Reach”

Pavan Agarwal CEO Celligence

Julio Santiago, an American Ninja Warrior Veteran and the CEO of PR Ninja Warrior, with his 9 years of experience of been a ninja warrior athlete, 7 years as an obstacle builder and 6 years as an Ninja Warrior Personal Trainer for kids and adults had crafted a unique obstacle course in Agarwal's backyard, a marvel and a one of its kind on the island - featuring a 12-foot warped wall, a climbing wall, zip line, monkey bars, laches and a ring toss. These obstacles tested not just the contestant's physical prowess but also their mental resilience, echoing the event's broader

mission to foster diversity.

The stakes were high, as the top performers would represent Puerto Rico in the grand UNAA League final in California in July 2024. The winners are set to proceed to the UNAA Finals in Anaheim from July 24th to 28th, 2024, marking a significant milestone in Puerto Rico's sporting journey.

This event was more than just a competition; it laid the groundwork for a national league and international recognition. The vision includes hosting annual competitions, establishing Ninja Warrior Gyms across Puerto Rico, attracting both local and international athletes and ultimately strengthening tourism and generating employment opportunities.

The event saw participants from various backgrounds, including athletes from the Guerreros WAPA TV show, OCR fitness gyms, and Zonactiva Kids, each demonstrating incredible agility and strength. The day was not just about competition but also about learning and inspiration. Josh Levin, an American Ninja Warrior veteran, Olympic rock climber, and STEM educator, led a youth development session, sharing his experiences and insights.

Puerto Rico's Second but not last Ninja Warrior Competition has set a high bar, not just in terms of athletic achievement but also in community involvement and spirit. It stands as a beacon of unity, strength, and the warrior spirit, promising to usher in a new era of sporting events that showcase the island's potential on a global stage Watch the video at https://www.youtube.com/watch?v=zPKfY_pSawU
