

When to Expect W-2 Forms in 2024 Announced by Harbor Financial

In 2024, employers must provide W-2 forms to their employees no later than January 31st, 2024.

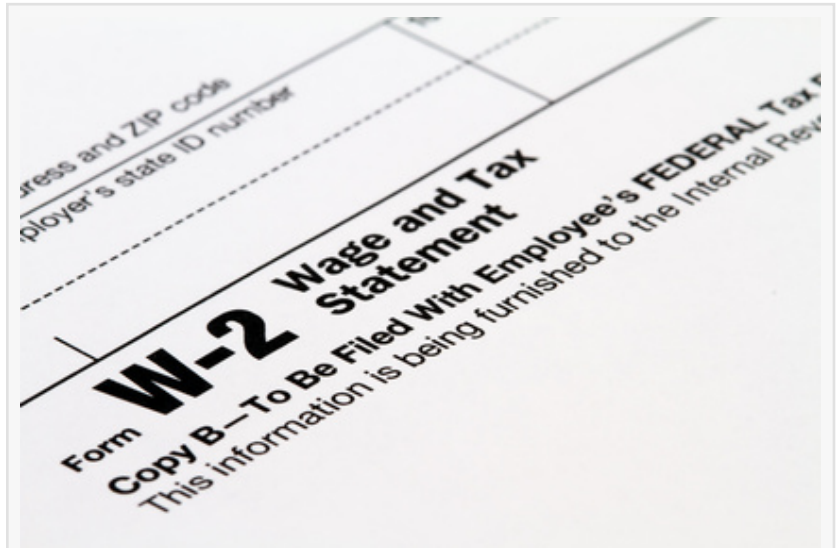

TRAVERSE CITY, MI, US, January 2, 2024 /EINPresswire.com/ -- With the new year comes new tax responsibilities, including the arrival of W-2 forms.

These forms are essential for employees to file their taxes accurately, and it's important to know when to expect them. In 2024, employers [must provide W-2 forms to their employees no later than January 31st, 2024.](#)

W-2 forms contain important information such as an employee's wages, tips, and other compensation received for the tax year. They also include information on taxes withheld, Social Security and Medicare contributions, and benefits received.

It's important for employees to review their W-2 forms carefully and ensure that all information is accurate before filing their taxes.

One of the benefits of receiving W-2 forms early is that it allows employees to file their taxes as soon as possible. The earlier you file your taxes, the earlier you can receive any tax refunds owed to you. Additionally, filing early can help avoid any last-minute rush to meet the tax filing deadline.

When to Expect W-2 Form

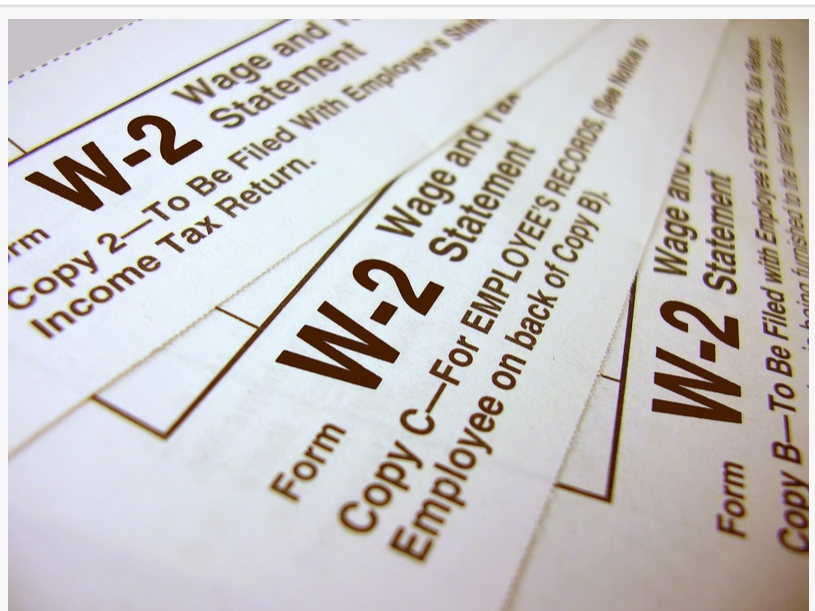

W2 Early Access

Employers are required to [send W-2 forms to their employees by mail or electronically](#). Employees should ensure that their contact information is up-to-date with their employer to avoid any delays in receiving their forms.

Additionally, employees who have changed jobs during the tax year should ensure that they receive a W-2 form from each employer.

It's important to note that employers must also file W-2 forms with the Social Security Administration (SSA) by January 31st, 2025. This ensures that the SSA has accurate records of employee earnings and contributions to Social Security and Medicare.
