

Language Immersion Preschool Now Available at The Houstonian Club

The Houstonian Club is the first members-only health and fitness facility in Texas to offer a private language immersion preschool for children.

HOUSTON, TX, UNITED STATES, January 2, 2024 /EINPresswire.com/ -- [The Houstonian Club](#) is helping children become bilingual through its exclusive collaboration with [LIPP Schools](#). Recognized as a Platinum Club of America, this upscale members-only health and fitness facility in Houston now stands out as the only facility in Texas—perhaps even the entire country—to provide a unique language immersion preschool program for children aged 18 months to 5 years.

"The Houstonian Club is a globally recognized, premier luxury resort, where the health of body and mind meet," says Alcira Molina-Ali, President of LIPP Schools. "Similarly, LIPP Schools strives to offer top-tier immersion academics to families, coupled with the convenience and amenities of private preschool within The Houstonian Club."

Available exclusively to The Houstonian Club members, LIPP Schools operates year-round with part and full-time programs that follow a traditional eight-hour school day. According to Molina-Ali, the child-to-teacher ratios are kept low, one teacher for every five students, to help boost language acquisition and give children the academic edge they need to be kindergarten-ready. Children receive teacher-led academics by a native speaker in either Spanish or Mandarin.

"We are always looking for unique ways to enrich our members' lives – whether it is with the newest fitness innovations, enhanced recovery options, or a unique program for children," says Cher Harris, Club General Manager. "When this opportunity with LIPP Schools presented itself, it seemed like a great amenity for The Houstonians Club's members and their families."
