

RxGo Celebrates a Phenomenal Year, Saving Americans close to \$55 Million

RxGo, a leading Rx discount program helped Americans save close to \$55 Million in 2023. Reflecting the company's commitment to affordable healthcare for all.

DENVER, COLORADO, UNITED STATES, January 3, 2024 /EINPresswire.com/ -- [RxGo](#), the leading prescription drug discount program, is thrilled to announce that it helped individuals and families save an astonishing \$54,286,234.72 in 2023. This monumental achievement doubles their savings in 2022 and reflects the company's unwavering commitment to making healthcare more affordable and accessible for all.

RxGo Saved Americans Close To \$55 Million Dollars in 2023.

“

We are incredibly proud of the impact we've had in 2023. We have worked tirelessly to ensure that everyone has access to medication, and the \$54 million in savings is a testament to our dedication.”

Jeremy Duboys

In a year marked by economic uncertainty and rising healthcare costs, RxGo's [prescription discount card](#) emerged as a beacon of hope for those seeking relief from the burden of expensive medications. Through its comprehensive network of pharmacies and prescription drug discounts, RxGo reached millions of Americans, enabling them to access the medications they need at a fraction of the cost.

RxGo's innovative approach to healthcare cost reduction empowers individuals to take control of their healthcare expenses without compromising the quality or availability of their medications. By offering significant discounts on a

wide range of prescription drugs, RxGo ensures that every individual, regardless of their financial situation, can access the treatment they require.

Key highlights of RxGo's impact in 2023:

\$54,286,234.72 in Savings: RxGo's discounts have resulted in an impressive total savings of over \$54 million for individuals and families across the nation. These savings have relieved the financial strain on countless households, allowing them to allocate their resources to other essential needs.

Millions Served: RxGo's reach extended to millions of Americans in 2023, demonstrating the company's commitment to providing accessible healthcare solutions to as many people as possible.

Easy Access: With RxGo's user-friendly website and mobile app, finding discounts and locating nearby participating pharmacies has never been more convenient. The platform empowers users to make informed decisions about their healthcare while saving on their prescriptions effortlessly.

Comprehensive Network: RxGo's extensive network includes thousands of pharmacies nationwide, ensuring that patients can find discounted medications at their preferred location.

Ongoing Commitment: RxGo remains dedicated to its mission of making healthcare affordable for everyone. The company will continue to expand its network, add new features, and advocate for fair drug pricing in the years ahead.

RxGo's Founder and CEO, Jeremy Dubois, commented on this remarkable achievement: "We are incredibly proud of the impact we've had in 2023. Our team has worked tirelessly to ensure that every American has access to affordable prescription drugs, and the \$54 million in savings is a testament to our dedication. We look forward to building on this success and continuing to serve our communities."

As RxGo looks ahead to 2024, they remain steadfast in their commitment to reducing the financial burden of healthcare for individuals and families across the United States. With a focus on innovation, accessibility, and affordability, RxGo will continue to be a trusted partner in helping Americans secure the medications they need at prices they can afford.

About RxGo:

RxGo is a leading prescription drug discount program dedicated to providing affordable healthcare solutions to individuals and families across the United States. With a vast network of participating pharmacies and a commitment to reducing the cost of prescription medications, RxGo empowers people to take control of their healthcare expenses and access the treatments they need.
