Author Larry Odell Johnson is making waves in the literary world with his groundbreaking work, "What is We To You?!"

YORBA LINDA, CA, UNITED STATES, January 3, 2024 /EINPresswire.com/ -- Renowned author Larry Odell Johnson has achieved a commendable feat with his latest work, "[What is We To You?!](#)", a captivating exploration of the King James Version (KJV) of the Holy Scriptures. The book, receiving notable acclaim from the US Review of Books, delves into an autobiographical approach to unpack a cryptographical interpretation of the first four chapters of Genesis.

In his insightful review, Michael Radon from the US Review of Books lauds Johnson's unique methodology, highlighting the author's commitment to presenting the semiotic and hermeneutical underpinnings of the Scriptures in raw everyday terms. Radon emphasizes Johnson's purpose in avoiding the murkier waters of studies that divert believers away from the critical discussions intended by the sacred text.

Johnson's analysis is designed to reveal hidden meanings within the biblical narrative, particularly in the story of Adam and Eve. Radon notes that the author's primary endeavor is to examine the earliest texts in the Bible, questioning whether the narrative is a mere allegory or if deliberate word choices hold profound significance.

A noteworthy feature of "What is We To You?!" is the inclusion of a useful epilogue, featuring similarly coded words using anagrams. This addition provides valuable support for readers who may struggle with the cryptographical method employed in the book, offering hints and

guidance for those seeking to decipher the coded messages within the text.

The US Review of Books' recognition further solidifies Larry Odell Johnson's position as a thought-provoking author with a unique and accessible approach to biblical interpretation. Johnson's conviction in the divine nature of the Holy Scriptures is evident throughout his work, providing readers with an engaging exploration of sacred texts.
