

Mobile Micro Tap Room Now Available for New England Rentals

Mobile Micro Tap Room Helps Brewers Bring a Craft Beer Experience to More Locations in New England

READING, MA, UNITED STATES, January 3, 2024 /EINPresswire.com/ -- Breweries can now offer more customers a unique and immersive craft beer experience with the introduction of the Mobile [Micro Tap Room](#). This innovative concept, developed by [Tiny Pubs](#), the owners of the [Wee Irish Pub](#), allows breweries to bring their tap room directly to their customers, creating a one-of-a-kind experience for beer enthusiasts.

Be transported in your Micro Tap Room

The Tiny Pubs Micro Tap Room is a fully equipped, self-contained unit that can be easily transported to remote locations. It features four taps to serve a variety of craft beers, giving customers the opportunity to sample different flavors and styles. The tap room also includes seating, a tasting bar, television, heat and a/c and decor designed to resemble a 1930's speakeasy.

“

This concept not only allows breweries to expand their reach and attract new customers, but it also provides a unique and interactive experience for beer lovers.”

Matt Taylor, Co-owner Tiny Pubs

“We are excited to introduce the Mobile Micro Tap Room to the brewing industry,” said Craig Taylor, co-owner of Tiny Pubs. “This concept not only allows breweries to expand their reach and attract new customers, but it also provides a unique and interactive experience for beer lovers. We believe this will be a game-changer for the craft beer industry.”

The Tiny Pubs Micro Tap Room is not only a great addition to community events, but it can also be rented for private parties and corporate events. This allows breweries to generate additional revenue and create a

memorable experience for their customers. The tap room can also be customized with branding and logos, making it a great marketing tool for breweries.

With the growing popularity of craft beer, the Mobile Micro Tap Room offers a new and exciting way for breweries to engage with their customers and showcase their products.
