

# Play Playground to open at the Luxor Hotel and Casino on Jan. 18

LAS VEGAS, NV, UNITED STATES, January 4, 2024 /EINPresswire.com/ -- Play Social Inc. is pleased to announce that Play Playground™, the first of its kind fantastical immersive Playground, will open at Luxor Hotel and Casino, Jan. 18, 2024. The 15,000 square-foot interactive Playground features more than 20 larger-than-life nostalgic games that require zero skill but a whole lot of soul, two bars, VIP mezzanines and private event spaces.

There are no VR, AR or arcade games in this Playground—nothing is “off the shelf” (except the drinks, of course). With an array of large-scale games emphasizing tactile skill, memory, puzzles and teamwork, players can scale the leaderboards with friends new and old. A high-energy environment designed for friendly competition and creating memorable experiences, Play Playground caters to all ages by day and adults only by night, ideal for both families visiting with children and companies looking for a unique outing.

Ticket pricing will start at \$37, allowing guests to experience each game in the Playground. Additional credits can be purchased onsite, so the fun never has to end. Play Playground will be open Sunday through Thursday from 12pm - 12am and Friday and Saturday from 12pm - 2am. Tickets and reservation information can be found [here](#). For more information,
