FOR IMMEDIATE RELEASE

[BizCloud Experts](#) is thrilled to announce the achievement of multiple [AWS](#) Competency Specialization Status, marking a significant milestone in our journey. This accomplishment reflects our commitment to excellence and the unwavering support of our valued customers and partners.

Receiving the Migration Competency to complement our existing DevOps Competency showcases our dedication to providing top-notch solutions. These two superpowers empower us to stand out in the industry, offering expertise in migration and DevOps services. Combined with our existing eight Service Delivery recognitions, particularly in building serverless solutions and contact center solutions, BizCloud Experts is uniquely positioned to automate, migrate, and modernize environments seamlessly.

“

We are immensely proud of achieving this rigorous business and technical validation by AWS. It reflects our commitment to providing top-notch cloud solutions and services to our clients”

*Nagesh Kunamneni, President
and CSO*

Our proficiency extends beyond specialized competencies; we excel in conducting well-architected reviews and organizing immersion days. These initiatives allow us to bring the best of AWS to our customers and network, often

at minimal or no cost. We believe in delivering value-driven solutions that align with our customers' needs.

With 2 Competencies, 8 Service Delivery Designations, 3 Partner Programs, 50+ AWS Certifications, and 20+ launches, BizCloud Experts stands as a trusted partner for organizations seeking early access to new product roadmaps and opportunities to engage with AWS experts. We are committed to facilitating financial incentives and assisting teams in upskilling on AWS.

To express our gratitude and celebrate our achievements, BizCloud Experts is launching an exclusive Dinner Series for our customers and network. This series aims to foster meaningful connections and discussions within the community. To learn more and reserve your spot, please sign up using the following link: [Link to Form](#).

As we embark on the journey of 2024, we are filled with excitement and positive momentum. We look forward to continuing our mission of achieving more with less and delivering unparalleled value to our customers.

Thank you for your ongoing support.
