“

I am pleased to announce our New York cannabis training program. This is a significant stride towards equipping NY residents with comprehensive and affordable education for the NY cannabis industry.”

Jeffrey Zorn, CEO

CTU's program is a valuable resource for anyone aspiring to join New York's growing cannabis industry. Whether it's launching a legal cannabis business, securing a dispensary job, or mastering the art of cannabis cultivation, CTU's curriculum covers it all. The course content includes detailed insights into the types of cannabis jobs in New York, potential salaries, and the specific skills needed to excel in these roles.

Expert-Led Training at an Unbeatable Value:

With a team of seasoned cannabis industry experts, CTU provides students with an in-depth understanding of the field, sharing their vast knowledge at an incredibly affordable rate. This

program offers over 42 hours of mandatory training, supplemented by more than 300 hours of optional content, all at no additional cost – a value unmatched by other New York cannabis schools.

Up-to-Date Content on New York Cannabis Laws:

CTU stays abreast of New York's ever-evolving cannabis laws, ensuring that the course material is regularly updated. This commitment makes CTU the go-to cannabis school for New Yorkers looking to stay informed about the latest regulations and legal frameworks.

Affordable, Comprehensive, and Convenient:

CTU stands out by providing top-notch education at a fraction of the cost of traditional 2 and 4-year cannabis programs. This affordability, combined with the convenience of online learning, makes CTU a smart choice for anyone looking to enter New York's cannabis industry without breaking the bank.

Enroll Today for a Brighter Tomorrow:

For individuals eager to jumpstart their cannabis career in New York, CTU's Master of Cannabis Certification program is the ideal starting point. Enrollment is now open, offering immediate access to a world of knowledge and opportunity in the New York cannabis industry. Students can login and learn on their own time, from anywhere, and on any device.
