Participating start-ups, entrepreneurs, and investment seeking companies are set to display their ideas and concepts to VCs and investors at the Start-Up Pitch Sessions, led by My Global Village. These pitch sessions include the participation of tech giant and investor Michael Terpin, Founder and CEO of Transform Group.

Keynote speaker Daniel Baldwin, the American Actor and CoFounder of Vesta Stream, is set to deliver a thought-provoking and groundbreaking presentation on the latest advances in emerging technologies. Other major highlights include two incredible panels: 'Tech This Out Innovation Spotlight' and the 'AI in Entertainment: Ethics and Ownership Panel Discussion,' led by subject matter experts regarding the ethical implications of adoption of AI technology.

A Fireside Chat hosted by Tech with Soul will address critical topics like non-AI bias, reverse discrimination, increasing minority representation in STEM, and enhancing diversity in business practices. The evening will close with an unforgettable Aftershow Party experience of vibrant art, music, and celebration with the first ever live DJ set with Desdemona (Desi) the Robot.

Interstellar Soiree includes a growing network of strategic alliances with innovative groups like Mobile LOOV and Minerva Valuations.

Whether attending CES or not, interested parties can register for in-person or virtual viewing of Interstellar Soiree. Passes are now available at the Worre Studios Box Office. For more information, visit [www.InterstellarSoiree.com](http://www.InterstellarSoiree.com).
