About the CIPD:

The CIPD has been championing better work and working lives for over 100 years. It helps organisations thrive by focusing on their people to build stronger economies and societies. It's the professional body for HR, L&D, OD, and all people professionals – experts in people, work and change. With almost 160,000 members globally – and a growing community using its research, insights, and learning – it gives trusted advice and offers independent thought leadership. It's a leading voice in the call for good work that creates value for everyone.
