

# Heald Solicitors Joined The Climb of Life 2023

MILTON KEYNES, ENGLAND, January 5, 2024 /EINPresswire.com/ -- [Heald Solicitors](https://www.einpresswire.com/Heald-Solicitors) is pleased to announce that their team participated in The Climb of Life 2023, a fundraiser for The Institute of Cancer Research. This climb took place in the beautiful Lake District from November 9-11, 2023.

Heald Solicitors was proud to send several representatives to take part in this valuable fundraiser: Caroline, Kevin, David, and his wife Alix. Each individual climbed Helvellyn following the notorious Striding Edge, making it a difficult challenge with slippery surfaces and crosswinds. While the route was challenging for participants, the rewards are great, providing essential funds for cancer research that will save lives.

For over 100 years, The Institute of Cancer Research has made numerous discoveries in the fight against cancer, developing critical drugs and identifying cancer genes to help diagnose cancer more quickly. The sooner individuals are diagnosed, the more likely they will get effective treatment to save their lives. Supporting the life-changing and life-saving achievements of The Institute of Cancer Research is a noble choice. Heald Solicitors is proud of their team and their dedication to helping in the fight against cancer.
