franchise owners, participating in Franchise Business Review's research. TSS Photography's franchisees were surveyed on 33 benchmark questions about their experience and satisfaction regarding key aspects of their franchise systems, including training & support, operations, franchisor/franchisee relations, and financial opportunity.

Highlights from TSS Photography's survey data included:

97% of franchisees respect the franchisor.

97% of franchisees enjoy being part of the organization.

94% of franchisees are likely to recommend the brand to others.

"Franchisee satisfaction continues to be the leading indicator of franchise performance and system health, and we are pleased to report that our latest research shows satisfaction has remained at some of the highest levels in the past 19 years. In fact, our survey results show that three out of four franchise owners would recommend their brand to others. That's extremely encouraging news for franchise owners and anyone considering investing in a franchise," said Michelle Rowan, president and COO of Franchise Business Review. "As an independent research firm, Franchise Business Review is committed to helping prospective franchisees get an objective view of the best franchise opportunities available based on actual feedback from the people who own them. Each of the award winners on this year's list of the 200 Top Franchises received stellar ratings from their franchisees in the areas crucial to success in operating a franchise, including training & support, leadership, innovation, culture, and financial opportunity."

"Being recognized as a Top Franchise in 2024 by Franchise Business Review is not just an honor; it's a validation of our enduring commitment to our franchisees and the photography community. This accolade reflects the strong relationships we have built, the satisfaction and success of our franchisees, and the effectiveness of our innovative approach in the world of photography franchising. It underscores the value we place on empowering entrepreneurs and photographers with a business model that combines education, support, and growth opportunities. This recognition motivates us to continue striving for excellence, and most importantly, to maintain the trust and respect that our franchisees have in TSS Photography," said James Calabrese, Franchise Development Director of TSS Photography.
