Barry Lindemann is like all [Americans](#), Furious! Furious because he sees the country being run into the ground. He wants to stop it by becoming the next U.S. Senator from the State of Nevada. Others who feel the same way: Bob Olson for Nevada's District 17, Michael Boris for U.S. House Nevada District 1, Patricia and Garland Brinkley who are running in Nevada Senate District 1 and Assembly District 1, respectively.

You may be smiling and having a jovial conversation, but your shirt communicates true feelings!

Liars, cheats, and thieves are who we are dealing with when you speak about the American political class.”
