

Muirfield Mechanical Announces Partnership with Heritage Home Service

AYER, MA, USA, January 8, 2024 /EINPresswire.com/ -- Muirfield Mechanical, a leading provider of [heating and cooling services serving Ayer, MA](#), and surrounding communities for over two decades, is pleased to announce its partnership with Heritage Home Service. This strategic partnership will allow Muirfield Mechanical to expand its service offerings to offer in-house residential plumbing and electrical services.

For over 20 years, Muirfield Mechanical has served the community, providing quality [heating and cooling installation](#), maintenance, and replacement. It has been an honor and privilege to serve customers, and the team is excited about this new chapter in the company's history.

“

I want to assure you that our customers will continue to be our top priority and with the new resources now available, we will provide an even better quality of service.”

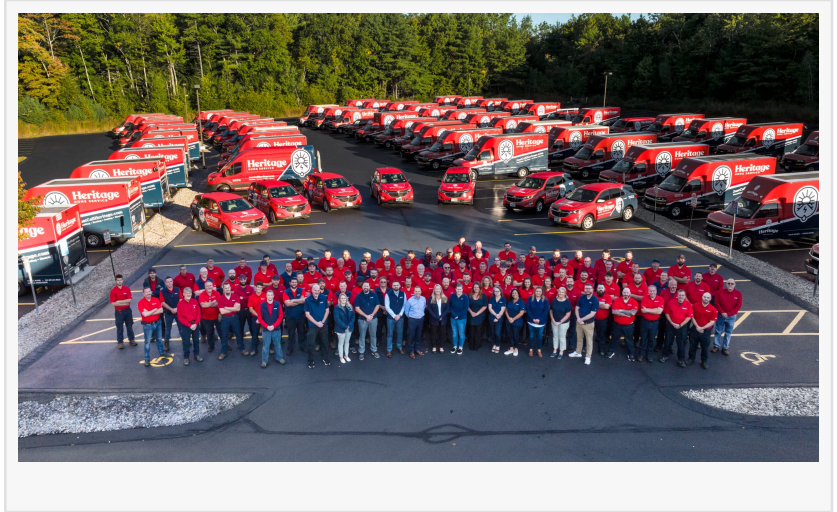

Ron Mallard, Owner of Muirfield Mechanical

In partnering with Heritage Home Service, a family-run residential service business that shares Muirfield's customer-first philosophy, Muirfield Mechanical will be able to offer more comprehensive services to customers. Starting in Spring 2023, Muirfield Mechanical will be offering in-house residential plumbing and electrical services.

This combined partnership will allow customers to receive the same expert heating and cooling installations, along with continued service care with the ability to tap into their cutting-edge training and equipment. The office staff will now have better communication tools and more information at their fingertips to better serve customers.

Customers can still contact us at (978) 263-7130 or through the website at

Muirfieldmechanical.com. All team members will be there to help customers as staff have become part of the Heritage Team. During this transition, customers may notice Heritage-branded trucks and uniformed technicians arrive at their home. Rest assured, customers will be receiving the same quality and care expected from Muirfield.

"I want to assure you that our customers will continue to be our top priority and with the new resources now available, we will provide an even better quality of service you have come to expect with the employees here at Muirfield Mechanical. I am grateful for the relationships we have made over the years and hope you will join us here for the next stage," said Ron Mallard, Owner of Muirfield Mechanical.

Heritage Home Service offers routine maintenance, repair, or new installation. Learn more about Heritage Home Service at justcallheritage.com.

About Muirfield Mechanical

Muirfield Mechanical is an HVAC company providing residential and commercial customers with heating, air conditioning, furnace, boiler installations, and service and maintenance for these systems. From renovations to new construction, from a single-family residence to high-tech labs, our licensed technical staff, and expert, factory-trained technicians are dedicated to working with customers to implement a climate control solution that meets their needs.

Founded in 1963, Muirfield Mechanical Services has been serving the cities and towns in about a 50- mile radius from its home office in Ayer. This includes Westford, Sudbury, Marlborough, Hudson, Stow, Groton, Concord, Littleton, Bolton, Acton, Arlington, Lexington, Belmont, Cambridge, Newton, and the surrounding communities, including the Greater Boston area.

About Heritage Home Service

For over 35 years in business, Heritage Home Service has helped countless families across our community stay comfortable and healthy in their homes. Today, they continue to evolve and find new ways to serve customers even better.

When customers choose Heritage, they can be sure of three things: Convenience, Cleanliness, and Expertise. With convenient arrival windows and emergency service availability, a no mess guarantee, and techs that meet or exceed certification and licensure requirements for a job done

right. Whether customers need routine maintenance, repair, or new installation – Heritage has them covered.

We look forward to serving customers in this new capacity. Contact us at [JustCallHeritage.com](https://www.justcallheritage.com) or at (978) 263-7130.
