Dan Bontz's involvement in numerous drug trafficking investigations and wiretap operations and his firsthand experience with the devastating impact of illegal drugs on families and communities make him an invaluable addition to the Voices for Awareness Foundation.

In joining our Advisory Board, Dan Bontz underscores his belief that law enforcement must be prominent in shaping discussions with lawmakers, politicians, healthcare professionals, community leaders, victims, and organizations dedicated to addressing narcotics-related issues. He advocates for collaborative partnerships to develop innovative and creative strategies to combat not only the current fentanyl/opioid crisis but any narcotics-related challenges that communities may face.
