“

The great hope of the Tet Offensive was that its very size and daring would trigger a surge of nationalism that would transcend barriers of ideology, class, and faith.”

-Mark Bowden

The festival promises an array of traditional Vietnamese cuisine, offering an authentic taste of Vietnam's rich culinary heritage. From savory Pho to sweet Bánh mì, the festival's food vendors will cater to all palates.

Children will be delighted with an array of activities designed specifically for them, ensuring a family-friendly atmosphere throughout the event. The highlight for many will be the spectacular fireworks display, illuminating the night sky in a burst of colors and joy.

A feast for the eyes, the Tet Fest will feature stunning Dragon dances, showcasing amazing costumes that blend art and culture in a mesmerizing dance. The rhythmic drumming performances, an integral part of this tradition, promise to enthrall audiences of all ages.
