

New Aloe-SHIELD Advanced® Gloves Enhance Dental Professionals' Comfort and Safety

Aloe-Infused Gloves: Enhancing Hand Care for Dental Professionals

CINCINNATI, OH, UNITED STATES, January 9, 2024 /EINPresswire.com/ -- Clinical Supply Company (CSC), recognized for its quality in dental products, has recently launched the Aloe-SHIELD Advanced® Exam Gloves. These gloves are specifically engineered to provide improved hand protection for those in the dental care profession.

Key Features of Aloe-SHIELD Advanced® Gloves:

Soothing Aloe and Vitamin E Coating: A unique feature providing skin nourishment for dental professionals, countering frequent handwashing effects.

Low Dermatitis Certification: Made from nitrile, these gloves are latex-free and powder-free, designed to minimize dermatitis risks and ensure comfort during prolonged use.

Enhanced Tactile Sensitivity: Utilizing advanced thin-film technology, the gloves offer precision and control in dental procedures.

Comprehensive Protection: Effective against a range of challenges, the gloves come in boxes of 200, ensuring sustained availability.

Elegant Design: Features include an ambidextrous fit, beaded cuff, and a distinctive Tiffany Green color.
