What is Reevoly?

Regional Entertainment Content

Reevoly, left his highly paid job at Dailyhunt to pursue his vision of creating a platform that celebrates the rich cultural heritage of UP and Bihar. Inspired by a seven-year social initiative fueled by his drive to counter the stereotyped and often sleazy perception of Bhojpuri content, Kunal and his friends embarked on a journey to produce meaningful and authentic regional content.

Their initiative quickly gained traction, showcasing high-quality, sensible entertainment to the audience. Receiving over 300 commitments from individuals in UP and Bihar who sought to crowdfund this transformative content creation, Kunal and his team witnessed firsthand the tremendous potential and untapped talent within the region.

Armed with this knowledge and motivated by the overwhelming support they had garnered, Kunal and his team founded Reevoly, a platform dedicated to showcasing the diverse talents of UP and Bihar. Reevoly is more than a general entertainment platform, acting as a catalyst for driving prosperity and preserving cultural diversity.
