

# DrKumo Welcomes Former VA Secretary Dr. David Shulkin to its Advisory Board

*DrKumo is pleased to welcome its Advisory Board former U.S. Secretary of Veterans Affairs David J. Shulkin, M.D.*

BUENA PARK, CALIFORNIA, UNITED STATES, January 9, 2024 /EINPresswire.com/ -- DrKumo, a pioneering leader in [Remote Patient Monitoring](#) (RPM)/Connected Health Technology Solutions, is proud to announce the newest addition to its Advisory Board, Dr. David J. Shulkin, the 9th Secretary of the U.S. Department of Veterans Affairs (VA) and a widely respected healthcare innovator, brings a wealth of experience and insight to DrKumo mission of transforming patient care through advanced technology.

Former U.S. Secretary of Veterans Affairs David J. Shulkin, M.D.

Dr. Shulkin, with over two decades of experience in healthcare leadership, brings his visionary approach and unwavering commitment to DrKumo innovative mission in ensuring that patients receive the highest quality care in the comfort of their homes.

“We are thrilled to welcome Dr. Shulkin to our team,” said Dr. Kelly Nguyen, CEO/Founder of DrKumo. “His remarkable track record in healthcare administration and his profound commitment to improving patient care align perfectly with DrKumo vision. His insights will be invaluable as we continue to innovate and expand our services.”

“

His remarkable track record in healthcare administration and his profound commitment to improving patient care align perfectly with DrKumo vision.”

*Dr. Kelly Nguyen,  
Founder/CEO of DrKumo*

Dr. Shulkin’s appointment to the Advisory Board is expected to fortify DrKumo strategic direction, particularly in areas of patient care for the Nation’s Veterans and the integration of cutting-edge technologies in healthcare. His experience in both public and private healthcare sectors

provides DrKumo with a unique perspective on the challenges and opportunities in today’s rapidly evolving medical landscape.

"I am excited to join DrKumo, an organization that is at the forefront of leveraging technology to improve healthcare," said Dr. Shulkin. "I look forward to contributing to the company's growth and its continued commitment to excellence in patient care. The potential to make a significant impact on how healthcare is delivered is enormous, especially for the Nation's Veterans who deserve the best care we can provide."

DrKumo, a leader in healthcare technology and renowned for its innovative approach to patient monitoring and data analytics, has been instrumental in enhancing the quality of care for patients with chronic conditions. DrKumo has been awarded a substantial contract by the U.S. Department of Veterans Affairs for its revolutionary RPM-HT solutions. This contract, valued at \$1.032 billion to four national awardees, highlights DrKumo role as the Nation's transformative force in the healthcare industry. With the support of its esteemed Advisory Board and URAC accreditation, DrKumo is poised to deepen its impact in the healthcare sector, driving advancements that resonate with the needs of patients and providers alike.
