These kits are designed to empower homeowners with the ability to create their own wood-fired culinary masterpieces in the comfort of their own outdoor spaces.

With a commitment to providing high-quality outdoor cooking solutions, The Alfresco Factory is excited to offer both its Traditional Range and Wildfire Range in DIY Kit form. These kits are the perfect solution for those who desire the satisfaction of building their own pizza oven while enjoying the convenience of comprehensive instructions and all necessary materials included.

Jonelle Lowe, Owner of The Alfresco Factory, stated, "Team members are excited to introduce DIY Pizza Oven Kits to the Perth community. With these kits, the customers can embark on a rewarding DIY project and enjoy the unique experience of cooking with wood-fired ovens right in their backyards."

The DIY Pizza Oven Kits include all the essential components needed for assembly, making the process accessible to individuals with basic DIY skills. Homeowners can expect a hassle-free experience with detailed instructions provided by The Alfresco Factory, ensuring a successful

pizza oven construction.

"The team believes in offering ongoing support to the customers," said Jonelle Lowe. "The team is readily available to assist with any questions or concerns throughout the DIY process. The team wants to ensure that the customers feel confident and capable of achieving excellent results."

The Alfresco Factory's commitment to quality is evident in every aspect of these DIY kits. Both the Traditional Range and Wildfire Range ovens are renowned for their exceptional craftsmanship, durability, and cooking performance. By introducing these ovens in DIY Kit form, the company aims to bring the joy of wood-fired cooking to a wider audience.

"Team members are proud of the reputation Traditional and Wildfire Range ovens have earned," said Jonelle Lowe. "With the DIY Pizza Oven Kits, the team extends that quality to those who enjoy the process of building their own pizza oven. It's a unique opportunity to create something special for their outdoor living spaces."

The Traditional Range offers a classic and elegant design, perfect for those seeking a timeless addition to their outdoor kitchen. On the other hand, the Wildfire Range presents a contemporary and versatile option, ideal for homeowners who appreciate modern aesthetics and performance.

Looking ahead, The Alfresco Factory has ambitious plans for the future. Jonelle Lowe shared her vision, stating, "The goal is to continue expanding the product offerings while maintaining the commitment to quality and customer satisfaction. Team members are excited to explore new opportunities and innovate within the outdoor living industry."

The DIY Pizza Oven Kits are now available for purchase at The Alfresco Factory's showroom, located at Unit 1/18 Greenwich Parade, Neerabup, WA 6031. For more information or inquiries, please contact The Alfresco Factory at (08) 9404 8817 or email chat@thealfrescofactory.com.au.
