FeaturedCustomers releases the Winter 2024 Accounts Payable Automation Software Customer Success Report.

SUNRISE, FL, USA, January 9, 2024

/EINPresswire.com/ -- Today FeaturedCustomers published the [Winter 2024 Accounts Payable Automation Software Customer Success Report](#) to give prospects better insight on which Accounts Payable Automation Software would work best for their business according to real customer references.

The highest rated vendors according to the Winter 2024 Accounts Payable Automation Software Customer Success Report are:

Market Leaders – Airbase, AvidXchange, Basware, Bill.com, Bottomline Technologies, Concur, Corpay One, Coupa Software, Esker, MineralTree, Proactis, Sage Intacct, and Tipalti were given the highest “Market Leader” award. Market Leaders are vendors with a substantial customer base & market share. Market Leaders have the highest ratio of customer reference content, content quality score, and social media presence relative to company size.

Top Performers – ABBYY, Artsyl, Certify, Chrome River, Corcentric, Edenred Pay, Kefron, Medius, MHC Software, Ottimate, Pagero Group, Paymerang, Quadient AP by Beanworks, Stampli, Tradeshift, and Yooz were awarded “Top Performer” honors. Top Performers are vendors with significant market presence and enough customer reference content to validate their vision. Top Performers’ products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader relative to company size.

Rising Stars – DataServ, DocStar, PairSoft, Plooto, Rillion, and SoftCo were awarded the “Rising

Star” honor. Rising Stars are vendors that do not have the market presence of Market Leaders or Top Performers but understand where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

About the Accounts Payable Automation Software Customer Success Report:

The customer success report is based on over 6,000 pieces of verified customer reference content. A vendor’s overall customer success score is reached via a weighted average of their Content, Market Presence, and Company Scores. Of the vendors listed in the FeaturedCustomers’ Accounts Payable Automation Software category, 35 vendors met the minimum requirements needed to be considered for the customer success report.
