

# Paymerang Partners With Intellitec Solutions to Provide AP Automation to Senior Living Business Offices

*Paymerang, a leading financial automation platform in the Senior Living industry, has announced a new partnership with accounting solution Intellitec Solutions.*

RICHMOND, VA, USA, January 9, 2024 /EINPresswire.com/ -- [Paymerang](#), a leading financial automation platform in the Senior Living industry, has announced a new partnership with accounting solution provider Intellitec Solutions. The partnership offers Paymerang's best-in-class [Invoice](#) and [Payment](#) Automation solutions to Intellitec's base of senior living clients nationwide.

"We are excited to add Intellitec Solutions to our growing list of strategic partnerships," said Nasser Chanda, Paymerang CEO. "Intellitec Solutions has a long successful track record of helping transform the senior living business office. Together we will help more senior living finance departments become efficient and profitable, so that communities can better focus resources on caring for the residents in their communities.

Rick Sommer, president of Intellitec Solutions, sees Paymerang's offering as key to Intellitec's success. "As clients continue to transition to the cloud, our practice has seen tremendous activity – particularly senior living facilities looking to migrate to Sage Intacct or Microsoft Dynamics", said Sommer. "Transitioning from a legacy ERP to the cloud increases the need for AP automation to ensure seamless financial processes. This partnership will help our clients harness the true value of cloud-based solutions."

As the leading provider of AP Automation for the senior living industry, according to a recent Ziegler CFO Hotline survey, Paymerang eliminates the tedious manual tasks that have long impacted business offices. Business offices can leverage Paymerang's automation technology to increase productivity and efficiency to focus on strategic initiatives.

Intellitec Solutions provides customized ERP solutions for Senior Living Organizations for systems like Sage Intacct, Microsoft Dynamics D365 Business Central, and Dynamics Great Plains. Through the partnership, Intellitec's growing list of Senior Living clients can maximize the

benefits of their ERP system while automating the accounts payable process from invoice receipt to payment reconciliation with Paymerang.

With nearly 84% of an accounts payable department's time wasted on manual repetitive tasks like keying invoice data, pushing paper, and fixing typos, Paymerang's solutions allow senior living AP departments to eliminate tedious manual tasks and save thousands of hours each year. Paymerang's platform has helped clients enhance visibility, increase accuracy, and earn rebates while reducing paper, fraud risks, and operating costs.
