Jerell adds, "As the curator of Minc Mentality merchandise, I focus my energy towards presenting collections that speak for those who believe in unwavering grit and overcoming challenges that come along with rising within high risk industries and disproportionately affected communities. Much like The Cannabruhz Media content, our merchandise encourages the uplifting spirit possessed by individuals and businesses in the cannabis community to have a place to thrive. Wearing your mindset versus wearing fashion is the goal, but in attitude and with pride. Here's to you!"
