"I am overwhelmed with gratitude and excitement," said Executive Chef Pfeiffer. "This journey has been one of the

most intense culinary challenges I've ever faced. Each basket was a mystery, each round a battle against time and creativity. Winning this competition is a testament to the long hours of training, the sacrifices made, and the support of my loved ones."

Pfeiffer and her three chef competitors had 15 minutes to figure out what to do with these diverse ingredients and prepare them in a way that would appeal to the show's three-member judging panel which included Iron Chef and mökbar chef Esther Choi.

Pfeiffer and her culinary team at Bicyclette Cookshop was named as one Southwest Florida's best new restaurants in 2023 by Gulfshore Life and was compared to the surrealist painter Rene Magritte for her ability to present familiar food in unfamiliar, creative ways by the Naples Daily News.
