Sabrina's Story: From Austria to Coral Gables

“

This was a wonderful experience! Sabrina was so kind and went above and beyond with what I wanted! She is bubbly, generous and makes you feel like a best friend from the minute you walk in the door.”

Jordan T.

Sabrina's journey to establish HaSa Hair Design is a tale of ambition, resilience, and unwavering commitment. Leaving her life in Austria, she ventured to Miami with a vision: to create a hair salon that merged European finesse with the eclectic Miami vibe. But the path was not easy. Facing the challenges of adapting to a new culture and navigating the competitive world of beauty and hairstyling in Miami, Sabrina's dedication never faltered. She even spent nights in her car, searching tirelessly for the perfect location to launch her dream salon. This period of struggle and sacrifice laid the foundation for what HaSa Hair Design is today – a symbol of quality, innovation, and determination.
