

Form I-526E Approved by USCIS for Multiple EB-5 Investors in EB5AN's Wohali Utah Loan Offering

NEW YORK, NEW YORK, UNITED STATES OF AMERICA, January 10, 2024 /EINPresswire.com/ -- EB5AN, a leading EB-5 investment fund manager, regional center operator, and consultancy firm, is pleased to announce that multiple EB-5 investors in its Wohali Utah rural EB-5 project have [received Form I-526E approval from USCIS](#).

Kieu Anh Do, an immigration attorney with clients who invested in Wohali Utah and received I-526E approval, had this to say: "My clients are thrilled to have received their I-526E approval notices so quickly. They had their petitions approved quickly and without any requests for evidence from USCIS. This has been a smooth process. I think this is a good example of how the EB-5 Reform and Integrity Act is benefitting investors, particularly those who invest in rural projects. I am just so glad for my clients, who will have Green Cards approved and in hand about a year after filing. This is a tremendous outcome."

The approved investors will now be able to immediately file for an EB-5 visa and obtain Green Cards for themselves and their qualifying family members and immigrate to the United States.

Wohali Utah is a 425-residence golf community development just north of Park City, Utah. It is under construction, with over 570 jobs created to date. Its location in a rural TEA means faster I-526E processing and access to the 20% EB-5 visa set aside category.

"Just weeks after receiving Form I-956F project exemplar approval from USCIS for Wohali Utah, we have multiple Form I-526E investor approvals," said Sam Silverman, a managing partner at EB5AN. "This is an exciting time for our Wohali Utah investors, as we expect more approvals in the coming weeks. Wohali is an excellent project, and we now have multiple layers of confirmation that the project meets the requirements of the EB-5 program."
