I am excited to partner with GetHairMD to offer my patients advanced, personalized solutions that address the underlying causes of their hair loss and deliver lasting results"

Dr. Brady

provider of personalized hair restoration treatments and products, is thrilled to announce a new partnership with the Women's Wellness Institute of Dallas, led by the renowned Dr. Wesley Anne Brady. This collaboration expands GetHairMD's reach and offers [Dr. Brady's](#) clients convenient access to the full suite of hair restoration treatments and products, empowering women in Dallas to address hair loss with confidence and expertise. Dr. Red Alinsod, who relocated his practice from California in 2023 to join Dr. Brady serves on the GetHairMD Clinical Advisory Board. He is an internationally recognized gynecologic

surgeon and pioneer in the field of female pelvic medicine and reconstructive surgery.

Dr. Brady is a board-certified gynecologic surgeon and a full fellow of the American Board of Obstetricians and Gynecologists. She is recognized for her compassionate approach to women's health, which now extends to addressing hair loss, a common concern among women experiencing hormonal changes or other medical conditions.

"Hair loss can have a significant impact on women's self-esteem and overall well-being," says Dr. Brady. "I am excited to partner with GetHairMD to offer my patients advanced, personalized solutions that address the underlying causes of their hair loss and deliver lasting results. GetHairMD's commitment to clinically proven hair restoration treatments and patient education aligns perfectly with my own philosophy of care."

With this partnership, Dr. Brady joins the GetHairMD network of experienced physicians knowledgeable in all forms and causes of hair loss. GetHairMD offers multifaceted, personalized solutions for patients battling hair loss. These solutions range from non-invasive treatments such as laser hair growth treatments, PRP, prescription topicals, at-home therapies and stress

management products to minimally invasive hair grafting.

"We are thankful to Dr. Alinsod for his introduction to Dr. Brady and we are honored to partner with the Women's Wellness Institute of Dallas and Dr. Brady and Dr. Alinsod," said [Paul Herchman](#), CEO, GetHairMD. "This collaboration allows us to extend our reach into women's health and to Dr. Brady's patients and empower them to embrace their confidence by addressing hair loss concerns in a safe and effective manner. We are confident that Dr. Brady's expertise and GetHairMD's proven treatments will provide outstanding results for her patients."
