---

NORTH SCITUATE, RHODE ISLAND, UNITED STATES, January 12, 2024 /EINPresswire.com/ -- Shawn, a disabled individual and owner of three online stores, is seeking help from the community to share their inspiring story and support their business. Shawn opened their stores, [chasingthedeals.com](https://chasingthedeals.com), [chasesfashion.com](https://chasesfashion.com), and <https://180608-2.myshopify.com/>, in order to pay for necessary nursing care and eventually return home. With the help of others, Shawn hopes to achieve their personal and business goals and eventually give back to the community.

Shawn has faced numerous challenges due to their disability, including being unable to work a traditional job. In order to support themselves and pay for necessary nursing care, Shawn turned to entrepreneurship and opened three online stores. These stores not only provide a source of income for Shawn, but also allow them to pursue their passion for fashion and share their unique style with others.

However, Shawn needs the support of the community to make their dream a reality. By sharing their story and promoting their stores, every sale brings Shawn one step closer to their goal of being able to afford the necessary nursing care and eventually return home. Additionally, Shawn hopes to use their successful business to give back to others in need and inspire others facing similar challenges.

Shawn is determined to overcome their obstacles and achieve their goals, but they cannot do it alone. They are calling on the community to help spread the word and support their business. By sharing their story and shopping at their online stores, individuals can make a positive impact on Shawn's life and help them achieve their dreams. Shawn is grateful for any and all support and looks forward to the day when they can give back to others in need.
