

# Construction Links Network: Amplifying Digital Presence in the Construction Industry - January 11, 2024

*The latest news, blogs and videos for the construction and building industry.*

SUNDRE, ALBERTA, CANADA, January 11, 2024 /EINPresswire.com/ -- Construction Links Network, established in 2003, has emerged as a premier news platform in the construction industry, specializing in enhancing digital visibility and SEO for its members. This unique network encompasses a vast array of industry professionals including construction managers, contractors, developers, building and property managers, architects, designers, engineers, and government officials.

As a hub for sharing and disseminating digital content, members actively engage with a variety of formats such as news releases, company announcements, blogs, podcasts, webinars, case studies, whitepapers, and videos.

Highlighting the week's content, we feature Cool Tech's latest innovations in DIY tools, essential for both home projects and professional job sites.

Key content this week includes:

- [The latest in ConTech trends and innovations.](#)
- [Essential components for effective construction management.](#)
- Insights on the Revizto Integrated Collaboration Platform.
- A significant reduction in administrative time by BC contractors using B2W Performance

content sharing - construction links network

Tracking.

- [Advancements in safety eyewear technology.](#)
- Current trends in the Canadian real estate market.
- Bird Construction's collaboration on the East Harbour Transit Hub Project.
- Exclusive insights from the City of Guelph's ISO 50001 success story.
- Anticipated 2024 ACI Foundation's Concrete Technology Forum.
- An overview of the impending downturn in Germany's construction sector.
- Analysis of Canada's fluctuating building permit values.

Stay informed by subscribing to our Round Up News Magazine, reaching over 7,500 industry professionals every Thursday. Join us at Construction Links Network to connect and grow within the construction, building, and design community.
