

New Children's Book, "The Frog Formerly Known as Prince," Takes Readers on an Inspirational Journey of Self-Discovery

A Ribbiting Tale of Self-Discovery and Unveiling the True Crown Within

UNITED STATES, January 12, 2024 /EINPresswire.com/ -- Renowned author [Judith Aileen Card](#) and Emmy-award winning illustrator Madani Tom Knowles are thrilled to announce the release of their latest collaborative masterpiece, "[The Frog Formerly Known as Prince](#)." This enchanting children's book invites readers of all ages on a captivating journey of self-discovery, weaving a tale that resonates with themes of identity, self-esteem, and the importance of embracing one's true self.

"The Frog Formerly Known as Prince" follows the story of a charismatic frog facing an unexpected identity crisis. Determined to discover his true self, he embarks on a thrilling adventure filled with challenges and self-reflection. As the frog encounters a 'princely' challenge, readers are taken on a whimsical ride, uncovering profound lessons about the essence of identity and self-worth.

The narrative takes an unexpected turn as the frog reaches the culmination of his journey, revealing a poignant twist that adds a new layer of meaning to the title. Through beautifully crafted prose and stunning illustrations, Card and Knowles have created a heartwarming and thought-provoking tale that encourages readers to reflect on their own journey of self-discovery.

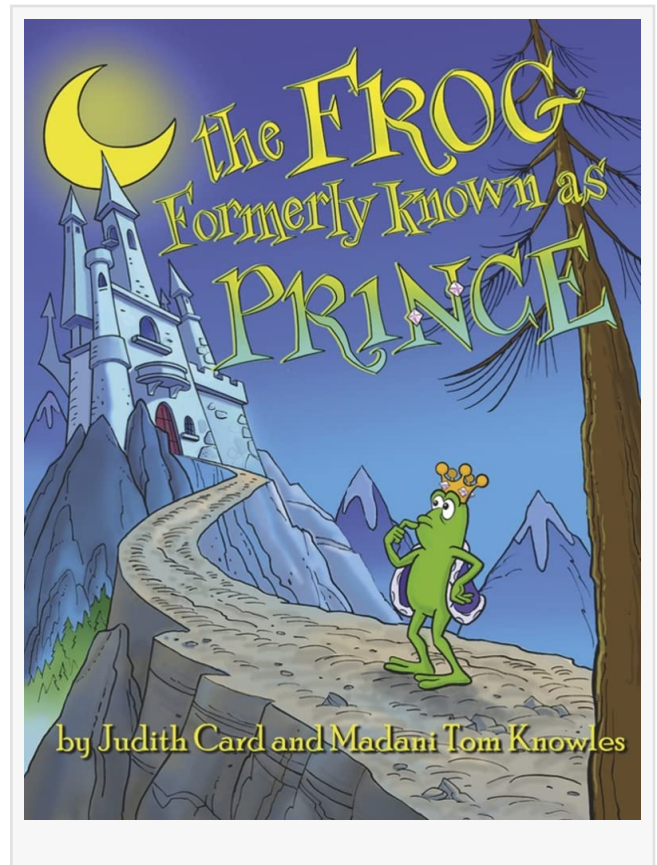

About the Authors: Judith Aileen Card, a web designer, content strategist, and documentarian based in Seattle, draws from her love of outdoor activities and a background in the San Francisco

Bay Area to infuse her storytelling with creativity and relatability. Card, a devoted mother, has a passion for music and spends her free time writing songs, stories, and playing musical instruments.

Madani Tom Knowles, an Emmy-award winning animation cartoonist residing in Hawaii, brings his artistic prowess to life through captivating illustrations. A student of mystical traditions, Knowles draws inspiration from Sufism, Judaism, and Buddhism, adding a unique depth to his visual storytelling. As a father and an artist himself, he is dedicated to creating meaningful and visually stunning works of art.

Inspiration struck when Card encountered a bejeweled purple stuffed frog that reminded her of the iconic artist Prince. What began as a whimsical idea evolved into a powerful narrative about self-esteem and self-worth. Teaming up with illustrator Knowles, the duo crafted a story that transcends age, resonating with both young readers and adults alike.

"The Frog Formerly Known as Prince" delivers a crucial message of self-esteem and the importance of recognizing one's inherent value. In a world where bullying is prevalent, the book aims to instill self-confidence in young children and promote a strong sense of self-worth. However, the universal themes make it a captivating read for readers of all ages.

"The Frog Formerly Known as Prince" is available for purchase at major online retailers. For more information or to order a copy, visit the official website: <https://store.bookbaby.com/book/the-frog-formerly-known-as-prince>.
