Neighborhood Project is thrilled to announce the virtual celebration of the International Day of Happiness on March 20. Aligned with the United Nations' declaration, this annual event is the brainchild of our Global Chief Happiness Officer, Edwin Edebiri, designed to bring together a global community of positive entrepreneurs for networking, learning, and spreading happiness.

The International Day of Happiness Celebration has quickly become the world's most joyous business event, attracting professionals from diverse industries and niches worldwide. This virtual gathering is a testament to the Happy Neighborhood Project's commitment to fostering connections, knowledge sharing, and a positive business culture.

Key Highlights of the International Day of Happiness Celebration:

1. **Mega Networking:** Last year witnessed over 700 attendees, and this year, we aim to surpass that number, targeting over 1,000 entrepreneurs and business professionals from every corner of the globe. The event provides a unique opportunity for participants to connect with like-minded individuals, fostering collaborations and partnerships that transcend geographical boundaries.
2. **Giveaways:** Attendees can look forward to exciting giveaways that add an extra layer of joy to

the celebration. The spirit of generosity and camaraderie is at the heart of our International Day of Happiness Celebration.

3. Educational Business Speakers: Renowned experts from various backgrounds will share their insights, experiences, and strategies for success. The lineup of speakers is carefully curated to provide valuable knowledge and inspiration, covering a wide range of topics relevant to today's dynamic business landscape.

4. Happiness Exercises: Beyond traditional business discussions, the event incorporates happiness exercises to nurture the well-being of attendees. The Happy Neighborhood Project believes that a positive and happy mindset is a catalyst for success in both professional and personal spheres.
