

San Diego Reiki Opens Two New Locations In Del Mar and Escondido

San Diego Reiki opens new locations in Del Mar and Escondido, introducing the traditional Japanese mind-body healing art of Jikiden Reiki to new communities.

SAN DIEGO, CALIFORNIA, USA, January 11, 2024 /EINPresswire.com/ -- [San Diego Reiki](#), a renowned center for traditional Japanese mind-body healing, is thrilled to announce the opening of two new locations, expanding its reach to provide authentic Jikiden Reiki to more communities.

The new wellness centers in [Del Mar](#) and [Escondido](#), alongside the established San Diego Reiki Mission Valley location, present a unique opportunity for individuals in search of holistic healing and wellness.

San Diego Reiki stands out as one of the few places in the United States where traditional Japanese Reiki, specifically Jikiden Reiki, is practiced and taught. Jikiden Reiki, meaning "direct, unmodified teaching," preserves the original techniques of Reiki founder Mikao Usui, as maintained by the Jikiden Reiki Institute in Kyoto, Japan. All practitioners at San Diego Reiki are officially certified by this prestigious institute.

The simple and humble approach to healing often makes traditional Japanese Reiki go unnoticed. By bringing Jikiden Reiki to Del Mar and Escondido, San Diego Reiki shares this gentle healing art with new neighborhoods, promoting natural wellness and holistic healing in our
