CloudWay

SERVICES

We got your cloud

CloudWay Services, a subsidiary of CloudWay, is a renowned expert in managed services

Under this [partnership](#), CloudWay Services will exclusively deliver Orchestry's innovative 'Signals' product through their Microsoft 365 Evergreen Services. These offerings harness the expertise of Microsoft experts at CloudWay, combined with cutting-edge artificial intelligence. The Evergreen Cloud Service is tailored to ensure compliance in your Microsoft 365 environment while optimizing productivity within an organization's core business

Michal Pisarek, CEO of Orchestra, expressed his enthusiasm, stating, "Having known and collaborated with the exceptional team at CloudWay for years, I'm thrilled to announce CloudWay Services as our Preferred Partner for Orchestra in Norway. Together, we aim to empower clients to fully leverage their Microsoft 365 environment through CloudWay's Microsoft 365 Evergreen Services."

"Orchestra is simply the best M365 Management Platform out there," exclaims Audun M. Solheim, CEO of CloudWay Services. "Combining their comprehensive platform with our expertise and services will enable us to deliver maximum value to our customers."

About Orchestra

Orchestra makes work simple in Microsoft 365, Microsoft Teams and SharePoint Online with its comprehensive enablement, adoption, and standardization platform. Built by SharePoint MVPs and Microsoft 365 experts, Orchestra helps organizations formulate a roadmap of "what to use when" in Microsoft 365 through increasing technology adoption, empowering governance and simplifying provisioning organization-wide.
