Songs and Poems from a Yielded Heart is a refreshing book with a lovely message. I felt calm and at peace when I was reading the poems and songs. Judith Vander Wege's writing style reminds me of the book of Psalms in the Bible. The structure is similar, and I felt as if I was reading from the Bible, which was a beautiful surprise. I could feel the author's emotion and passion in each verse, and every line is perfectly written to uplift your spirit. I loved the consistent themes

throughout the book. It felt as if there was a build-up to the last poem that relates to the book title and brings a heartwarming message of redemption."
