

# Juliana Rugeles launches her First Book "Cuentos y Versos: Una Trilogía de la Imaginación" and Wonder Valley Gallery

NEW YORK, NY, UNITED STATES, January 12, 2024 /EINPresswire.com/ -- The talented Colombian artist, writer, publicist, and entrepreneur, [Juliana Rugeles Díaz](#), with studies at Trinity College, Ireland, and MOMA in New York, is pleased to announce the official release of her first book in Spanish, "[Cuentos y Versos: Una Trilogía de la Imaginación](#)," under the editorial of the [Wonder Valley Gallery](#).

Rugeles ventures into the realm of the improbable and the fantastic, presenting two short stories and a poem that will weave unforgettable whispers into your imagination.

"Sin Memoria" immerses us in a world where amnesia governs the destinies of its inhabitants. Each dawn, memories vanish, sliding like tears into the river of consciousness. In this love-deprived environment, amid chaos and desolation, a young man becomes humanity's last hope. In "La Curiosidad Mató al Gato," the author leads us to a mysterious town, shrouded in shadows and secrets. The book culminates with "La Gota Azul," a poem that glides like a drop of ink on a canvas of midnight.

You can find these literary pieces in Spanish on Amazon, available for all countries:
