

Pet Domestic Expands its Pet Waste Removal Services to Baltimore

McLean, Virginia – Pet Domestic, an owner-operated local pet waste removal company in McLean, VA, is excited to announce the expansion of its pet waste removal services to the Baltimore area.

Already serving a 20-mile radius around McLean, VA, Pet Domestic is now offering Pet Waste Removal services to the Baltimore area due to the company's success last year, which saw over 450 5-star Google reviews and earning the reputation for being a trusted brand for keeping yards clean and healthy throughout Northern Virginia.

"Pet Domestic's premier dog pooper scooper service makes keeping up after your pup a breeze," said a spokesperson for Pet Domestic. "All you have to do is sign up, and then our local team of professionals make sure your yard is clean and free of any pet waste. Ensuring a waste-free yard the next time your kids want to play outside or you're looking to host family or friends."

With the owner being born and raised in Northern VA, Pet Domestic is dedicated to helping its local community achieve clean and healthier lawns by providing both residential service and commercial pet waste removal plans. The service is designed to offer those with busy schedules a flexible and convenient service that cleans yards from animal waste during weekdays (as frequently as required) so families can come home to an immaculate lawn.

All the employees at the leading pet waste removal company have undergone extensive background and identity checks to provide customers with peace of mind. Additionally, Pet Domestic is bonded and insured for \$2 million to ensure the safety of each home visit.

Pet Domestic's efficient waste removal and pooper scooper service helps families and businesses stay on top of pet waste that can help remove dangerous parasites and organisms that can be harmful to the health of a lawn and often leads to a greener yard. To sign up for the service, the company offers a simple 3 step process:

Individuals should first visit Pet Domestic to choose a service schedule and answer a few quick questions about their dogs and property.

A Pet Domestic employee removes all dog waste from the property while relocking gates and keeping dogs safe.

Return home to a clean and green lawn. The lawn is ready for family and friends.

Home or business owners who are interested in signing up for Pet Domestic's convenient pet waste removal services can contact the company via phone, email, or the contact form on its website to get a quote today.
