

# TRIDENT Refit Facility Honored with 2023 Best of Georgia Regional Award

KINGS BAY , GEORGIA, UNITED STATES, March 3, 2024 /EINPresswire.com/ -- In a significant acknowledgment of its dedication to quality work, service to community, and support of national defense, TRIDENT Refit Facility (TRF-KB) at Naval Submarine Base Kings Bay, Georgia, has been awarded the prestigious 2023 Best of Georgia Regional Award. This honor, determined by the votes of those it serves, highlights TRF-KB's commitment to excellence in its crucial role within the U.S. Navy and the broader community.

TRF-KB is instrumental in maintaining and upgrading the U.S. Navy's elite fleet of nuclear submarines, a critical cornerstone of the nation's nuclear triad that serves as the backbone of America's national security.

Established in July 1989, and celebrating its 35th anniversary in 2024, TRF-KB provides quality industrial-level and logistics support for the overhaul, modernization, and repair of Trident ballistic missile (SSBN) and guided missile (SSGN) submarines. TRF-KB also furnishes global submarine supplies and spare parts support; and provides maintenance and support services to allied submarines, regional maintenance customers, and other organizations as requested.

The facility's innovative and cutting-edge approach combines traditional methods with modern techniques equipping the workforce with future-ready skills and capabilities. TRF-KB's focus on developing highly skilled and technically capable professionals is evident in the successful on-time deployment and safe operation of the submarine fleet it supports.

The Best of Georgia Award, particularly as it is based on customer votes, is a testament to TRF-KB's exceptional service and dedication. It recognizes their efforts in "Keeping Warships ... War Ready," reflecting the ethos of their motto, "We Fix Submarines". This award is not just an accolade, but also an affirmation of TRF-KB's pivotal role in national defense and community engagement.

Beyond its primary mission, TRF-KB's contributions significantly affect the local economy as it ranks as one of the top three employers in Camden County employing more than 1800 civilian employees and almost 300 U.S. Navy active duty personnel. Their industry recognized Apprenticeship Program, and their targeted recruitment and retention efforts, provide invaluable career opportunities and skill development that benefits individuals and strengthens the local workforce. This comprehensive approach to service exemplifies TRF-KB's commitment to both

national defense and community support.

The Best of Georgia Regional Award is a recognition of TRF-KB's vital role in an industry where precision, skill, and reliability are of utmost importance. It underscores TRF-KB's status as a beacon of excellence and a reflection of the patriotic and innovative spirit thriving in America – a spirit characterized by invention, commitment, and a profound impact on the community and the nation.

#### About TRIDENT Refit Facility

Located at the Naval Submarine Base Kings Bay in Georgia, TRIDENT Refit Facility is pivotal in maintaining the operational readiness of the U.S. Navy's elite submarine fleet. With a mission to provide quality industrial-level and logistics support for the overhaul, modernization, and repair of Trident ballistic missile (SSBN) and guided missile (SSGN) submarines, TRF-KB's talented workforce ensures these warships remain at the forefront of national defense.
