

i-Tech Support Recognized in VAR 100, Top 100 VAR, and VAR Star Lists for Acumatica ERP Practice in 2023

OCOEE, FL, USA, January 12, 2024 /EINPresswire.com/ -- i-Tech Support, a leading Gold Certified Acumatica Partner and Google 5-star-rated Managed IT Service Provider is proud to announce its inclusion in Accounting Today's VAR 100, and [Bob Scott's Top 100 VAR and VAR Star Lists](#) published for the Enterprise Resource Planning (ERP) industry for 2023. This recognition highlights i-Tech's steady growth fueled by the company's commitment to excellence, customer support, and contributions to the ERP community.

The VAR 100 and Top 100 VAR lists, based on company revenues, serve as benchmarks for measuring the success and influence of technology solution providers in the market. In parallel, the VAR Star list acknowledges industry leaders for their significant contributions, thought leadership, and impact on the sector. i-Tech's recognition on all three lists underscores its multifaceted achievements and outstanding contributions to the industry.

“

These achievements are a direct result of the unwavering commitment to our clients' success that is shared across our entire team.”

Mike Augello, CEO

“We are honored to be named to the VAR 100, Top 100 VAR, and VAR Star lists again this year. These achievements are a direct result of the unwavering commitment to our clients' success that is shared across our entire team,” says

Mike Augello, CEO of i-Tech Support.

With a strong emphasis on delivering expertly guided implementations and rapid response times, i-Tech has solidified its reputation as a trusted partner for businesses seeking to modernize their business with cloud ERP. The company's customer-centric philosophy has fostered long-lasting relationships with clients, from their initial ERP implementation through

each new stage in their growth.

About Accounting Today:

Accounting Today is the leading information resource for public accountants – serving the community of professionals who provide tax preparation, bookkeeping, auditing, financial planning, and business advisory and consulting services to individuals and small businesses. Accounting Today is sharply focused on the industry's most important concerns, including tax law, accounting standards, technology, audit and assurance, and wealth management.

About Bob Scott:

Bob Scott has been informing and entertaining the mid-market financial software community via his email newsletters for 23 years. He has published this information via the ERP Global Insights (formerly Bob Scott's Insights) newsletter and website since 2009. He has covered this market for more than 30 years through print and electronic publications, first as technology editor of Accounting Today and then as the Editor of Accounting Technology from 1997 through 2009. He has covered the traditional tax and accounting profession during the same time and has continued to address that market as executive editor of the Progressive Accountant since 2009.

About i-Tech Support:

Since 1999, i-Tech Support has helped businesses, non-profits and schools achieve their goals by supporting them with technology that simply works. The team at i-Tech has only one objective, and that is to help your organization get to where you want it to be. Learn more at www.i-techsupport.com or call 888.298.9696.
