Red Coral Universe is available on all phones, tablets, smart tv's and connected devices featuring a large and eclectic catalog of over 5,000 titles, including:

Barz – television series featuring some of the most successful and respected artists and producers in Hip-Hop as they set out to find the best performer/producer duo in America.

Boo – multi award-winning horror short film about a traumatic event that forces a recovering addict to face her demons, without her worried fiancé uncovering the truth. In the end our hero must make a choice about WHO she loves and WHAT she loves.

Mute - multi award-winning sci-fi short film from 19-year-old filmmaker and Harvard student, Wesley Wang. In a world where words cost money, a woman saves up for her first word in the hope of standing up to her abuser.

Street Leagues – award-winning documentary narrated by Oscar nominated actor Colin Farrell that follows the men and women of the Irish Homeless Street Leagues as they overcome homelessness and addiction through the power of sport.

“We’re excited to share Red Coral Universe with the world,” said Larry Meistrich, CEO of Red Coral Universe. “Content creators can showcase their amazing talent to a global audience and earn a greater share of the profits compared to other streamers.”

Red Coral Universe will continue rolling out exciting, new content, including Academy award-winning independent films, music videos, and sports programming that will rival anything currently streaming on OTT.
