Highlighting their presence at the symposium, Medical Marketing Whiz's own Lori Werner and Sherry Sbraccia will

conduct a live morning workshop at the Integrative Healthcare Symposium. Scheduled for Saturday, February 17, from 7:30 am to 8:30 am, this workshop is a must-attend event.

## Workshop Highlights

**Tailored for Integrative Health Providers:** The workshop is specifically designed for professionals passionate about integrative and preventative medicine, hormone optimization, and anti-aging.

**Becoming the Local Go-To Specialist:** The focus will be on empowering attendees to become the number one go-to specialists in their local areas.

**Exclusive Takeaways:** Participants will receive a print copy of Medical Marketing Whiz's best-selling book, "[Lady Doc Marketing](#): How to Become the #1 Go-To Specialist In Your Area."

## Opportunity to Transform Practices

This workshop represents a unique opportunity for integrative health providers to gain insights and tools necessary for becoming the most talked-about and recommended providers in their

areas. Medical Marketing Whiz emphasizes the transformative potential of this session for attendees' practices.

"We are truly honored to participate in the esteemed Integrative Medicine Symposium this year. It's an incredible opportunity for us to engage with the vibrant community of functional and integrative medicine providers," said Lori Werner, founder of Medical Marketing Whiz. "Our team is particularly excited about the workshop we are hosting, which we believe will be a pivotal moment for many practitioners. We look forward to sharing our insights and strategies, helping more providers excel in their marketing efforts this year. Our goal is to empower these dedicated professionals to amplify their reach and impact, ensuring their valuable services are recognized and accessible in their communities."

#### Invitation to Visit Booth #24

Medical Marketing Whiz warmly invites all symposium attendees to visit their booth for a chance to win a \$2100 Louis Vuitton Neverfull bag and to discover more about their services and how they can revolutionize healthcare practices.
