PrayerBowls was born out of a personal revelation, as the founder, driven by a miraculous recovery from illness and touched by the prayers of a stranger, decided to create a unique vessel for prayer. This collection of PrayerBowls is designed to encourage users to write down and lift their prayers daily, fulfilling the biblical command to pray without ceasing.

In addition to promoting personal prayer, PrayerBowls is committed to making a positive impact on the world. The company proudly supports Compassion International, Mary Lee's House, and A21, channeling prayers and financial aid to children in need, victims of abuse, and those affected by human trafficking.

For every wooden PrayerBowl sold, PrayerBowls pledges to donate \$1 to A21, urging customers to join them in the fight against human trafficking by visiting <https://www.a21.org/>. The initiative encourages individuals to stand united in prayer, embodying the belief that prayer is a powerful force for change.

PrayerBowls are the go-to gift for all occasions in 2024 – a unique and meaningful present that not only fosters prayer but also contributes to noble causes. Experience the joy of giving with PrayerBowls this year. To buy, browse, or learn more about the brand, visit <http://prayerbowls.com> now.
