This initiative is a direct response to the increasing number of homeowners and businesses currently facing the severe consequences of the recent extreme cold weather.

Burst pipe spraying water

"During this period of plummeting temperatures, the spike in requests for assistance with frozen pipes, burst pipes, and subsequent water damage has been unprecedented," said Randy Oliver, Owner of RKO Construction. "Our team is prepared and ready to deliver rapid, efficient, high-quality repair services to those impacted by these winter hardships."

“

Rapid response to freeze damage is crucial. We're dedicated to restoring normalcy in DFW homes and businesses efficiently."

Randy Oliver, Owner, RKO Construction

RKO Construction's comprehensive emergency repair services include:

- Thawing and repairing frozen pipes
- Addressing and fixing burst pipes and water lines
- Conducting water damage restoration
- Assisting in processing insurance claims related to water

damage

The company's skilled professionals are equipped to provide quick assessments and custom solutions for each unique situation. Recognizing the urgency of these issues, RKO Construction is dedicated to offering prompt and reliable services to reduce damage and assist the community in recovering from freeze-related disruptions.

"Winter freezes can be overwhelming and destructive, particularly when they lead to extensive [water damage in homes](#) and businesses," Randy Oliver added. "Our objective is to alleviate this stress and restore normality as quickly as possible. We stand ready to support our community through these challenging times."

For more information or to arrange a service, residents, and businesses in the Dallas/Fort Worth area are encouraged to call RKO Construction at 866-437-5066.
