

Jim Bennett for Congress (GA-3) Makes Campaign Tour of All 15 Counties in District

BOWDON, GA, UNITED STATES, January 16, 2024 /EINPresswire.com/ -- Jim Bennett, Republican candidate for Georgia's 3rd Congressional District, is the only candidate who has campaigned in all 15 counties in the district.

"We need a representative who will listen to their constituents rather than the special interests in Washington DC. I look forward to revisiting all the counties again and meeting new and old friends. I am the only candidate who

stepped up to run from the beginning, before Congressman Drew Ferguson decided to retire. I am not an opportunist and I will only serve the interest of the 3rd District" said Bennett.
