

# TSplus Corp. and MSPAA Join Forces as Premier Partners to Revolutionize MSP Solutions

*TSplus Corp., a leading provider of remote access and advanced security solutions, proudly announces its endorsement and partnership with the MSPAA.*

FLORIDA, UNITED STATES, January 16, 2024 /EINPresswire.com/ -- TSplus Corp., a leading provider of remote access and advanced security solutions, proudly announces its endorsement and partnership with the [Managed Service Providers Association of America \(MSPAA\)](#). This collaboration marks a significant milestone for TSplus, solidifying its commitment to delivering cutting-edge remote access and security solutions to Managed Service Providers (MSPs) across the United States.

TSplus, founded in 2007, has been at the forefront of the industry with a singular focus on making applications and data secure and easily accessible worldwide. The company's comprehensive suite of software products has empowered millions of users globally, providing seamless [remote access solutions](#).

MSPAA, the [Managed Service Providers Association of America](#), is a prominent organization dedicated to promoting excellence and collaboration within the MSP community. Through its endorsement of TSplus, MSPAA recognizes the exceptional quality and reliability of TSplus solutions, acknowledging their effectiveness in enhancing the capabilities of managed service providers.

REMOTE ACCESS TECH.

The complete remote access software suite trusted by over 500,000 companies.<br>

Now called MSP's, these IT service providers have helped pave the way for companies to focus on their core operations while leaving the critical technology features to outsourced professionals.<br>

Jay Hosseinian, Director of TSplus Corp., expressed enthusiasm about the partnership, stating, "We are thrilled to be endorsed by the MSPAA. This collaboration aligns perfectly with our mission to make the world's apps and data secure and easy to access. By partnering with MSPAA, we aim to further empower Managed Service Providers with our advanced remote access and security solutions, ensuring they can deliver top-notch services to their clients."

A promotional banner for the National MSP Database. The banner has a dark blue background with a yellow and white logo on the left that says "NATIONAL MSP DATABASE" and "MANAGED SERVICE PROVIDERS ASSOCIATION OF AMERICA". Below the logo, it says "FIND YOUR IT VENDOR WITH EASE!". There is a list of features: "• NATIONAL LISTING", "• LOCATION SEARCH", "• KEYWORD SEARCH", "• TECH DEALS", and "• MSP NEWS". A circular inset image shows a hand pointing at a laptop screen. On the right, a yellow speech bubble contains the text "FILTER... CLICK... CALL!".

According to Mordor Research, the managed services market will grow to \$274 billion by 2026, up from \$152 billion in 2020. <br>

As an endorsed partner, TSplus Corp. will actively engage with MSPAA to share industry insights, best practices, and innovative solutions. This partnership will facilitate a robust exchange of knowledge and resources between TSplus and MSPAA members, fostering a collaborative environment for the mutual benefit of the MSP community.

We are thrilled to be endorsed by the MSPAA"  
*Jay Hosseinian - US Director*
