

# LabFinder.com creates a stronger food allergy and sensitivity test offering with the addition of Infinite Allergy Labs

*Infinite Allergy Labs joins LabFinder.com to bring food allergy and sensitivity as well as environmental allergy testing to the platform*

NEW YORK, NEW YORK, US, January 16, 2024 /EINPresswire.com/ -- [LabFinder.com](https://www.labfinder.com), an online scheduling platform for laboratory and radiology appointments, recently announced its expansion of food allergy and sensitivity as well as environmental allergy test offering with the addition of [Infinite Allergy Labs](https://www.infiniteallergy.com). Infinite Allergy Labs is a COLA Accredited & CLIA Certified laboratory offering the most comprehensive and trusted Food Allergy and Sensitivity test as well as environmental allergy test on the market. They are the only laboratory that tests IgE, IgG4, IgG and C3b/d for food allergy and sensitivity.

LabFinder's Founder Dr. Robert Segal says, "We are excited to strengthen our allergy test offering with the addition of Infinite Allergy Labs. Their advanced allergy test kits allows patients to have a better understanding of food sensitivity and allergy as well as environmental allergy to make informed decisions on their diet and lifestyle to improve their overall health."

Infinite Allergy Labs provides testing kits for:

- Food Allergy & Sensitivity
- Dried Blood Spot Food Allergy and Sensitivity especially when phlebotomist access is limited or patients cannot visit healthcare facilities
- Environmental Allergy

Nick Jooma, CEO & Owner of Infinite Allergy Labs says, "Our goal is to give patients insight and education on how food allergy and sensitivity can impact their health. Over time, food sensitivity & allergy can be tied to various types of health issues. Partnering with the LabFinder platform and telehealth service, will allow patients to easily order their food allergy and sensitivity test kits online from home and review their results so they can start the next steps in improving their health."

About: LabFinder is a consumer-facing platform that transforms the patient experience through seamless lab & radiology testing, guiding patients to conveniently located testing centers, handling appointment bookings, offering telehealth services, and allowing patients to review their test results all in one place. LabFinder supports patients through their care journey from

booking to billing—reducing expenses, hurdles, and frustrations. LabFinder.com
