

# New Child Tax Credit Payment Schedule for 2023 and 2024 Announced by Harbor Financial

*The Internal Revenue Service (IRS) has announced the updated child tax credit payment schedule for the years 2023 and 2024.*

TRAVERSE CITY, MI, US, January 16, 2024 /EINPresswire.com/ -- The Internal Revenue Service (IRS) has announced the updated child tax credit payment schedule for the years 2023 and 2024.

[The new schedule is set to provide eligible families with up to \\$2,000](#) per qualifying child aged between 6 and 17 years old. The new payment schedule is aimed at helping families with children under 18 years of age to receive financial assistance in the form of tax credits.

The IRS has urged eligible families to take advantage of the updated payment schedule and to ensure that they have provided accurate information to the IRS. This includes information about their children, income, and filing status.

The credit is fully refundable, [which means that even families with little or no income](#) tax liability can still receive the credit.

Child Tax Credit Payment Schedule

Child Tax Credit Update

The new Child Tax Credit payment schedule is expected to help millions of families across the United States. It is a welcome relief for many families who have been struggling financially due to the ongoing pandemic.

The IRS has emphasized the importance of staying up-to-date with the latest information and has assured eligible families that they will receive the full amount of the credit they are entitled to.
